Mayor Bob Finnell, Florence Robinson, Councilmen Robert Langer and Dick Demmer and Parks and Recreation Director Dick Samp were among those present at ceremonies dedicating the change of name of Tuffree Reservoir to Lake Placentia. Eric and Steven Wade, front, also enjoyed the ceremonies. The lake is still private property and should not be used for a park.

YL Council Holds Session

An attempt to appeal a tentative tract map in eastern Yorba Linda and a long discussion of the proposed general plan highlighted the study session held by the Yorba Linda City Council Monday night.

The three new councilmen voted to appeal the tract, which is part of the planned development area south and east of Fairmont Boulevard. The map was not appealed because Councilmen Roland Bigonger and Whit Cromwell opposed it.

City Administrator Darrell Dalton advised the council that one of them should appeal the map Tuesday so that it could be placed on the May 4 agenda for their consideration.

Charles Stapleton of Lampman and Associates discussed the general plan for the city his

company is working on and pointed up two areas of concern, the route of the new freeway and the ultimate development of the "activity core" along Imperial Highway.

Councilmen discussed several things involving the plan, including whether the council should hold a special meeting with the Planning Commission to discuss the new council philosophy.

Other items discussed by the new council were the new junior high school exit onto Futura St. in eastern Yorba Linda, the annexation of the area on the northeast corner of Imperial and Orangethorpe, public works project, the budget and the planning services problem.

The council will hold their first regular meeting May 4.

Planners OK Boys Club

The Placentia Planning Commission approved an application from the local Boys Club for a use permit to allow a new clubhouse at 132 Crowther Ave. in the industrial zone.

Commissioners were agreed that the site itself was a very poor one but felt that the good done by

the club far outweighed any disadvantage of the site.

Commissioners denied an application from Fullerton Motor Parts for a trailer park at the northwest corner of Van Buren and Morse in a residential zone.

The application was opposed by most homeowners in the area.

An application for a service station to be located on the corner of Orangethorpe Avenue and Monroe Way near the Orange Freeway was denied because the commissioners felt that the city already had enough such stations in the area and in the city as a whole.

A request by Joseph E. Dutton for an ice machine to be placed in the Bradford Center across from Kraemer Park was approved by commissioners.

An application for a planned unit condominium development submitted by Earl Kaltenbach for the northeast corner of Golden and Valencia was approved. The area is in the R-3 zone. Two related applications were continued.

A request for apartments in the Alta Vista area by Irvin Chapman was continued until May 12.

PUSD Board Defers Action; Held Special Meeting

The Board of Education, at their Monday meeting, again deferred action on their personnel deliberations until Wednesday, April 29 following a session that went until 4:15 in the morning.

After five hours of discussion, the Board issued the following statement.

"The following statement was proposed tonight by the Board of Education of the Placentia Unified School District to the Negotiating Council:

"The Placentia Unified School District Board of Education in conjunction with the Negotiating Council of the Placentia Unified Education Association jointly issues the following statement:

"On April 6, 1970 the Board instructed the administrative staff to reduce drastically all non-instructional sections of the 1970-71 budget. Following this directive, reductions were then made based on the twenty-four recommendations of the Budget Advisory Committee and presented at a special board meeting on April 22, 1970. At the Executive Session tonight, the

Board continued to search out further budget savings. We are pleased to announce that all present teaching personnel will be retained by the District for the 1970-71 school year and that no new hiring will take place until the pupil-teacher ratio reaches the ceiling of 28:1 at the High School level (9-12) and 30:1 at the Intermediate Level (7-8), at which time teaching personnel will be added only as needed to maintain that ceiling.

"In the event of resignations, replacements will be employed at the discretion of the administrative staff.

"Elementary ratios are mandatory and vacancies will be filled as needed. Other budgetary reductions, some involving personnel, are still under study and will be explored further at a special Board meeting to be held later this week."

"Unfortunately, the Negotiating Council has not accepted the above proposal. The Board regrets that the Council has elected to take this course of action tonight. Since agreement has not been reached, the Board is

deferring further consideration until its next session."

The Negotiating Council also issued a statement as follows: "Unfortunately, the Board did not see fit to accept our counter proposal: 'For the purpose of budget planning, it is agreed by the Board and the PUEA that the pupil/teacher ratios of 28-1 in the High School and 30-1 in the Intermediate School will be used. However, pupil/teacher ratios are still considered to be a negotiable item.'"

(The above was inserted after "1970-71 school year," and the rest of that paragraph was negated.)

Also the Board wanted to add in after "needed to maintain that ceiling" a statement to the effect that, if additional monies came from the state, this could change.

The Negotiating Council felt they would have agreed on the pupil/teacher ratio if the Board had rescinded its letter of notice to the teachers.

The meeting for further negotiations will be held on April 29 at 7:45 p.m. at the Board room and later will be a public hearing.

Alta Vista Road Curve Approved

The proposed realignment of Alta Vista Street was approved by the Placentia City Council Monday. Approval by the council came only after the Alta Vista Country Club agreed to several conditions.

One of the main conditions is adequate protection of the clubhouse from fire. Country Club management agreed to install a 12" water line on the property for that purpose.

Another major condition of the approval concerned the pumping station along the north side of Alta Vista St. east of Kraemer Blvd. The council feared possible noise from a combination of a gas motor and a metal building surrounding the station. M.D. Johnson, owner of the Country Club, said that the cost of a new pump motor or building would be prohibitive. It was agreed that the existing station would be redesigned to restrict noise. If noise continues to persist, the city council would require a new motor or building.

Backs Building Set For Dedication

In 1954 Angeline and Edward Backs presented eleven acres to the city of Placentia to be used as a park which they dedicated Kraemer Memorial Park in honor of Angeline's father Samuel Kraemer, and her mother Angeline Yorba Kraemer. Since that time Mr. and Mrs. Backs have maintained a positive stand on the preservation of park land which the citizens of Placentia would use and appreciate after all the orange groves were removed, absorbed by homes, concrete roads, walks and telephone poles.

Fulfilling a life long dream, the Angeline and Edward P. Backs Community Building will be dedicated to them Sunday at 2 p.m.

Formal dedication ceremonies will be presented by Mayor Robert Finnell. Memorial plaques will be presented and the Art and Music Festival which will occupy the building during May will make its debut. Music for the occasion will be provided by the District Wide honor orchestra. The Mon Ami auxiliary will act as hostesses. The event will be open to the public.

An adjacent parcel of land adjacent to the park was purchased in 1968 and made available to the city. Through this action the Department of Parks and Recreation achieved the status of a full city department and obtained a home.

Two more parcels of land were

purchased and again deeded to the city to fulfill the masterplan created by the Backs in 1954.

As a result, a small Scout Building located on the property built several years prior by the citizens and dedicated to the youth of the city, was preserved.

The park land was originally a portion of Rancho San Juan Cajon De Santa Ana, granted to Juan Pacifico Ontiveros by Mexican governor Juan B. Alvarado in 1837. Mrs. Backs is the great-granddaughter of Don Bernardo Yorba and Juan Pacifico Ontiveros.

Edward P. Backs was born March 30, 1896 in Anaheim, California. The son of Joseph and Catharina Heyermann Backs he married Angeline Kraemer in 1920.

Backs was the first vice commander of the Anaheim American Legion when it was organized in 1919 and the first vice president of the Mother Colony Parlor, Native Sons of the Golden West. A member of the California Pioneers and a large citrus grower and rancher, he has been most active in local and county civic affairs and business enterprises in Orange County.

Angeline Kraemer was born August 10, 1897 in Placentia. She has been an active member of Grace Parlor of the Native Daughters of the Golden West.

Commission Grants Variance

A real estate company was granted a sign variance by the Yorba Linda Planning Commission at its last meeting. As a result of commission action Forest Olson Real Estate will be allowed a sign four feet taller than present regulations permit.

The commission's action came after a public hearing on the matter. A representative of the real estate firm said that the company had compromised and designed a shorter than usual sign. Any smaller sign would hurt the familiarity of the firm's sign, he said. He added that a shorter sign would be hard

to see from a distance.

In a discussion period prior to voting, Commissioner Roseann Roberts said she felt that the company needed the taller sign in order to compete with other firms.

She said that the fact that the real estate office was willing to compromise on the matter showed good faith. Commissioner William Clay disagreed. He said that the fact that the sign had been redesigned once proved that it could be redesigned again. He added that he felt present sign regulations are too liberal.

Metzger Will Appraise Land

Yorba Linda city council has selected Raymond Metzger to appraise and acquire parcels of land necessary for the widening of Rose Drive.

Metzger has performed similar services in the appraisal of such properties. There are 33 parcels of land to be acquired which will cost \$2,475 for Metzger and his staff's services based on a cost of \$75 per parcel.

The Orange County Technical Committee of the AHFP program and the Board of Supervisors have approved the widening of the street, with a total cost for the project set at approximately \$199,400.

Council action included authorizing the appropriation of \$2,475 for acquisition services and acceptance of Metzger's proposal for acquisition of the 33 land parcels at \$75 per parcel.

Weed Abatement Begins

The weed abatement contractor started work in Yorba Linda as of Friday according to City Administrator Darrell Dalton.

The City Council approved a resolution naming the properties which needed to be cleaned at their April 20 meeting.

Sgt. Receives USAF Medal

Sgt. Douglas T. Nathan, son of Mr. and Mrs. Ted Nathan, 1526 Sierra Bonita, Placentia, received the United States Air Force Commendation Medal for meritorious service while assigned at Udorn Royal Thai Air Force Base in Thailand.

Nathan, a fuels specialist, was presented the medal at Norton Air Force Base, San Bernardino, where he is now serving with the 63rd Military Airlift Wing.

He is a 1961 graduate of Dominguez High School in Paramount.

Registration Hits New Low

Despite the most extensive voter registration drive in Orange County's history, a real deficit has occurred in the voting ranks, according to William St. John, county clerk.

Traditionally, the registered voters in a

Street Work Completed

Lee Leavitt, acting director of public works, told the Placentia City Council at its last meeting that the city had saved over \$1,000 on the street resurfacing projects completed this month.

Leavitt said that the contract price was \$14,717.70 but the actual cost of the project was \$13,689.13. The savings resulted from the contractor using less materials than had been estimated.

Streets resurfaced were Alta, Jefferson, Center, Palm and Chapman avenues.

primary will recover the amount of voters lost in the previous general election, but for the first time since 1950 this has not occurred. In 1968, 580,886 voters registered for the general election in the county. This year 555,570 citizens were registered for the primary after the 1968 "purge" had taken place.

In Placentia the party counts for the June 2, 1970 primary election as of the close of registration on April 9 were as follows: Democratic, 3432; Republican, 4198; American Independent, 46; Peace and Freedom, 10; Miscellaneous, 0; Declined To State, 813 for a total of 7999.

Yorba Linda voters registered as follows: Democratic, 1629; Republican, 3311; American Independent, 37; Peace and Freedom, 4; Miscellaneous, 0; Declined To State 215 for a total of 5196.

Predmore Will Seek Variance

The problem of whether a property owner can convert his garage to another use came up here when R. R. Predmore, 557 Morse Ave., appeared before the Placentia City Council recently to appeal an order issued by the Building department that he tear several rooms he has constructed in his garage out because they do not conform to the building code.

Councilmen told Predmore that he had three alternatives, tear out the improvements, get a variance, or take the city to court. He indicated that he would try the variance procedure.

Local Residents Track Forms

Over 300 trained local residents are now in the field calling on homes from which no census questionnaires had been received by mail. They will also call at some households because their returned questionnaires were incompletely filled out, according to M. Roy Knauff, Jr., district manager. Enumerators will telephone whenever possible in the interest of economy.

A few days before April 1st, Census Day, questionnaires were mailed

to all residential addresses in the area. They were to be filled out and mailed back on April 1st.

The Census Bureau has hired and trained in four training sessions local residents as census takers. They have all been sworn in and have taken the oath that all information is confidential and the results are for statistical purposes.

The district manager pointed out that the population figures compiled in the current census must stand as official until the next Federal census.

Fire Dept. On The Go

It was a busy week for the Placentia Fire Department.

Burning plastic and a fire in a trash dumpster both rated one engine company on the 16th.

A plastic wrapper which had blown onto a heated stove burner was the cause of the first alarm, the second is being investigated by fire prevention personnel.

Fireman responded to a call at the rear of 549 Center St. on the 17th where they found two trash dumpsters blazing. Both fires were quickly extinguished and are under investigation.

El Dorado high school was the site of an investigation on the 18th when a local citizen reported the fire alarm boxes had been broken into. Missing extinguishers were replaced by the fire department which also notified the police who are now conducting an investigation of the thefts.

A public assist was also performed on the 18th when a call from 849 N. Bradford required a Salvage Master to remove water which had seeped in from a flooded planter box, from the carpeting and floors of the building.

April 19 found one engine company extinguishing an auto fire in the area of 1022 N. Bradford.

Fire personnel administered oxygen to a man at 121 Anned Drive,

Clean-up Week To Begin

In conjunction with National Public Works Week, May 9 through 16 has been established as Clean-Up Week in the City of Placentia.

On May 9 and May 16 from 9 a.m. to 3 p.m. a trash truck will be stationed at

Council Rejects Park Application

An application to place a mobile home park on 18.8 acres of property on the north side of Orangethorpe Avenue east of the Hacienda Mobile Home Park was quickly denied by the Placentia City Council at its last meeting.

The application, submitted by Dyo Bros., Inc., would have added the "T" overlay zone to the already existing industrial zone.

Councilmen said that they did not feel that an industrial area was the proper place for a mobile home park. The new mobile home park ordinance which will be considered by the council shortly restricts mobile home parks to residential areas and imposes strict conditions on them.

four pick-up points within the city as an additional service to residents.

Established as pick-up points are the southwest corner of Orangethorpe and the Orange Freeway, northeast corner of Bradford Ave. and Chapman near Kraemer Park, the northwest corner of Bastanchury and Kraemer, and the southwest corner of Yorba Linda Blvd. and Valencia.

Residents are urged to take all oversize or unwieldy trash to one of these four pick-up stations for delivery to the county disposal site.

Walk-in trucks designated to handle furniture, water heaters and similar items will be sent to two locations during the week.

On May 9th, two trucks will be in the area, one at the southwest corner of Orangethorpe and the Orange freeway, and another at the northeast corner of Bradford and Chapman.

The northwest corner of Bastanchury and Kraemer, and the southwest corner of Yorba Linda and Valencia will be the positions of two more trucks on the 16th.

Overmeyer To Make Appeal

The Placentia City Council will hear an appeal of the Planning Commission approval of the Overmyer warehouse site development approval at its regular meeting of May 5.

Appeals were filed by the developer in protest against some of the conditions placed on the use and by new Councilman John Tynes, who wanted to give the council a chance to consider the matter.

In addition the council received a letter from Francisco Burciaga of the South Placentia Improvement Association protesting the use.

The developer is protesting the imposition of a condition that he be required to install a 12 inch

water main along the front of the property at the southeast corner of Melrose and Crowther.

He claims that it is an improper use of city policing power to require the line, which will belong to the Southern California Water Co.

The condition was requested by the fire department in order that proper fire protection could be provided the 120,000 square foot warehouse proposed for the site.

In his letter to the City Council, Tynes says, "This appeal is made to give this councilman information and review as to the validity of the application and at the request of citizens from all sections of our city."

About \$5,000 damage was caused to this oil tank on Golden Avenue when it exploded last week. Several small fires started but no major damage to the surrounding area occurred.

Ocean Expo To Happen

A special three day ocean events program will be held on May 1, 2 and 3 from 9:00 a.m. to 5:00 p.m. at the Marine Studies Institute, Dana Point Harbor.

The dedication ceremonies are being held on May 2 at 10:00 a.m. with the U.S. Marine Corp Band playing. There will be environmental and exhibition tours along with a boat show and some yachts of celebrities at anchor. They will also have music by the sea and many distinguished speakers, authors and celebrities.

For anyone interested in oceanography there will be career guidance programs and also oceanographic equipment exhibits. A massive workshop for educators and students will be held on Friday, May 1.

Also featured will be recreational events such as competitive swimming and other exhibitions of aquatic sports.

Included in the exhibitions will be science fair projects from the Orange County schools of which some students from Placentia Unified School District are participating.

Fire Dept. Seeks Explosion Cause

An explosion of unknown origin destroyed a portion of an oil tank on Golden Avenue between Kraemer and Valencia Thursday, April 23 at 5:34 p.m. according to fire department reports.

Upon arrival the department found smoke coming from the tank and several spots of fire among the eucalyptus trees near the tanks.

According to Fire Captain H.R. Edwards, there was no fire in the tank itself. Two pumers and one staff car responded to the fire.

Klein Named Coordinator

Mrs. Norman Klein, of Placentia, has been named Office Coordinator for the North Orange County Committee to elect George Brown to the U.S. Senate.

Mrs. Klein states that the headquarters will be staffed entirely by volunteers and anyone who is interested in helping with the campaign is urged to call the Brown headquarters at 879-2020 or Mrs. Klein at 528-5559.

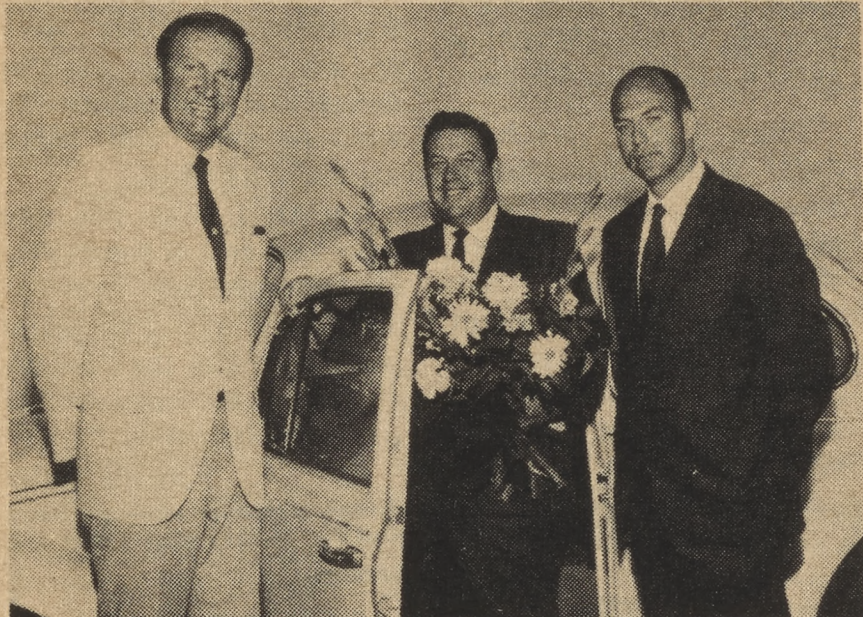

Dr. Leper To Speak

Dr. Mary Leper of Cal State College of Fullerton will be the speaker at the Installation luncheon of the new officers of Placentia-Yorba Linda American Association May 23 at Rembrandts Beautiful Foods restaurant. Dr. Leper has chosen as her topic "Humanists and Pussycats." Preceding the luncheon a cocktail hour will be from 10:45 to 11:30.

New members to be installed are 1st. vice president (and membership chairman), Mrs. Cami Black; treasurer, (programs chairman), Mrs. Debbie Osen. Hold over officers to be a part of the 1970-71 installation include Mrs. Larry McKnight, president; Mrs. Charlotte Kavach and Mrs. Joan Aceto.

Society Starts '70 Crusade

Have you remembered to pass the American Cancer Society's Neighbor-to-Neighbor kit to your neighbor?

"Cancer Crusade volunteers in Placentia distributed large Neighbor-to-Neighbor envelopes to key houses April 1," said Placentia City Chairman Mrs. Curt Chenowith of the Junior Round Table. "In most neighborhoods they should be in the middle of the block by now."

The American Cancer Society's fund raising

campaign depends upon the passing of the envelopes from house to house. They are started at one end of the block and picked up at another, she said. Each large envelope contains free literature about cancer and smaller envelopes in which contributions can be placed.

Placentia residents who have questions about the Neighbor-to-Neighbor envelope or the 1970 Cancer Crusade may call Mrs. Chenowith at 528-8427 or any member of the Round Table Juniors.

Annual Breakfast

Saturday, May 16 has been chosen as the date for the second annual Placentia Little League breakfast according to Co-chairmen Bob Helander and Lavonne Rainey. The repast, featuring the traditional pancakes, sausage, orange juice, milk and coffee will be served at Kraemer Park from 7:30 until 10:30. Prices are \$1.00 for adults and 50 cents for children under 14.

Little Leaguers started ticket sales on April 29, with all proceeds going to the league treasury to defray the costs of uniforms and equipment. Special prizes are to be awarded for leading ticket sellers.

Breakfast committee members include Elaine Norcutt and Barbara Lambert, ticket sales; Maureen Gazich and Carol Callahan, publicity; Colleen Langston and Betty Ryder, posters; Phil Donaldson, door prizes; Rosemary Dame, awards and Mary King and Judy Harker, telephones. The members of Girl Scout Troop #1170 will assist in clean-up.

Club Tours Canyon Home

Orange County Historical Society members toured the Madams Modjeska home in Santiago canyon Friday, April 29. Many librarians in the area attended including Miss Virginia Carpenter of the Placentia District Library. Miss Carpenter keeps abreast of all events that in future years will prove of historical value, and has compiled a great volume of historical facts of the past, which are available at the library.

Fullerton Demos Back 4 Members

The Fullerton Democratic Club at its meeting April 21, voted to back the four club members who have filed as candidates for the Democratic Central Committee in the third Orange County Supervisorial District.

The candidates are Dr. Charles Ruby, Terry Moshenko, Ken Parker, and Don Crawford.

Dr. Ruby, an incumbent, has provided long term continuing party leadership. Terry Moshenko is a practicing attorney in Fullerton. Ken Parker is an educational leader in Placentia. Don Crawford is a working journalist.

The club made a substantial kick-off contribution toward the members campaign expenses and is planning fund raising and pre-election activities.

programs in North Orange County. "The purpose of the Pow-Wow", according to Planning Committee Chairman Everett Trout, "is to bring all of our fathers and sons together in order for them to exchange program ideas and display the many crafts and other objects they have made during the past year."

Activities planned during the weekend event include father and son games, judging of members' accomplishments, and an evening ceremony filled with Indian pageantry. The Pow-Wow will conclude with breakfast served by the Fullerton Thursday Y's Men's Club and a worship service Sunday morning.

The public is invited to visit the Pow-Wow anytime after 1:00 p.m. Saturday and view the many displays prepared by Y-Indian Guide members.

The Y-Indian Guide program is designed for fathers and their sons aged 6-9. Fathers and sons are organized into small groups called "tribes" which hold meetings at member's homes.

Open house will mark the meeting of the Confraternity of Christian Doctrine, Saturday, May 2 at St. Joseph Parish Hall. Parents of students in the various catechical classes will visit the classrooms, following the open house held between the hours of 9:00 a.m. and 12 noon.

Duncan Writing Book

"Susie" is the title chosen for the next book from the pen of Placentia author William Duncan.

Duncan stated the book will be off the press in August, and following his style of writing, will be another documentary. This fact was announced at the gathering held Friday night, April 17 at the Placentia District Library when the motion picture of the last voyage of the RMS Queen

Mary were shown. Elmer Lelanne was the photographer on the last voyage and captured many scenes of beauty as well as keen interest. He narrated the story at the meeting.

The story of "Susie" will depict many of the intricacies and involvements in getting Susie of out the battle area of Asia, as well as her stay in the hospital here and her return to her parents.

AAUW Sponsors Film

"A Nation of Spoilers," a film depicting the environmental ravages, was shown to students at both Morse avenue school and Golden avenue school. Morse Avenue school and Golden Avenue school is chairman of the "Vandalism" section of the American Association of

University Women. She was assisted in her work by a committee composed of Mrs. David Berry, Mrs. Harold Bickford, Mrs. Larry McKnight, Mrs. Richard Landfield, Mrs. Robert Simmons and Mrs. John Harke.

The hopes and plans of the vandalism section of the University Women is to promote a better understanding of the consequences of acts of destruction," said Mrs. Pappas. The plans include the idea that, by starting in the upper elementary level of education, a better condition will prevail in prevention of such acts as students mature.

Mother-Daughter Tea To Be Held

A Mother-Daughter Tea, sponsored by the Women's Society of the United Methodist Church of Yorba Linda, will be held Sunday, May 3, in the Fellowship Hall.

St. Joseph's Sets Mass

Approach of the summer vacation season has brought about an added Mass at St. Joseph Catholic Church on N. Bradford Ave. Mass will be celebrated at 6:00 p.m. on Saturday night, and thus enable travelers and

families to fulfill their Sunday obligation.

Rev. George Conboy, pastor of St. Joseph church, announced through the church Sunday bulletin that attendance at an earlier Mass on Saturday does not fulfill the Sunday obligation.

Observance of the First Friday Communion and Mass was announced for Friday, May 1. The Mass will be celebrated at 6:30; 8:00, 11:30 a.m. and at 6:00 p.m. Hours of confession for Thursday will be 4:30 to 5:30 p.m. and from 7:30 to 8:30 p.m.

Regular services will continue on Sunday at the usual times, it was announced.

Thursday evening, May 7, at 7:30 p.m. at the Dewain Wilcox home, 2649 Sherwood in Fullerton.

On Sunday, May 10th, Pastor Paul Cedar will share a special missionary message in the morning service and the evening's guest will be Miss Priscilla Bartram of the Wycliffe Bible Translators.

Although the congregation of the Evangelical Free Church of Yorba Linda is just one year old, they have already formed the solid foundation of a relevant missionary program. The "Week of Missions" is a part of that program.

The public is cordially invited to attend all of the services. The congregation is temporarily meeting at the Orchard Elementary School, 6111 Kellogg Drive, Yorba Linda.

Mission Week Planned

A special "Week of Missions" has been scheduled for the Evangelical Free Church of Yorba Linda beginning Sunday May 3.

The week's activities will be featuring a number of guest missionaries, displays, and slide presentations. The Rev. Kenneth Grissom, Evangelical Free Church missionary to Venezuela, will speak at the morning worship service on Sunday, May 3. He and his family will also share in the Sunday School Hour at 9:45 a.m.

The Rev. Bob Johanson of the Missionary Aviation Fellowship will speak and share a slide presentation on Sunday evening at 7:00 p.m. Mrs. Jenny Hill of the Wycliffe Bible Translators will speak and show slides at the Mid-Week service on

Mrs. Pete Stieb, left, buys tickets to the Pony-Colt League fund raising dance from Mrs. Harold Evans, center, and Mrs. Steve Ward, during the opening day festivities of the league held last Saturday.

For their first big fund raising project the members of the Woman's Auxiliary of the Placentia-Yorba Linda Pony-Colt League are presenting a "BID-A-BUY" dance.

Friends Church To Show Fashions

A Mother-Daughter Luncheon and Fashion Show will be held at the Rose Drive Friends Church on Saturday, May 2, at 11:45 a.m. The Church is located at 4221 Rose Drive in Yorba Linda.

Mrs. Carol Terry Calbot, a missionary from India, where she worked with a girl's orphanage, will be the guest speaker.

The Rose Drive Friends Church would also like to announce a new time for their evening service, which has been moved to 6 p.m. Sunday.

Tickets are on sale now at \$5.00 per couple for this affair, to be held at the Placentia Round Table club house on Bradford Ave., in Placentia.

Dancing will be from 8 to 1 with the music by the Paul Jay Combo with Myra Garcia at the piano. Mrs. Steve Ward is taking reservations.

Call her at 524-0608 for tickets. Mrs. Robert Robbins, president of the Woman's Auxiliary, invited everyone to participate in this project to help support the organized baseball league. It takes much to buy equipment and uniforms for the approximate 200 boys signed up to play.

Film Shown At Potluck Dinner

A potluck dinner was held at the Placentia Presbyterian Church Thursday, April 23 with approximately thirty people attending. Many different varieties of food were served. The tables were decorated in green and yellow with pink and white daisies placed at each table, giving each table a spring like effect.

The program for the evening was begun by Reverend Tom Lane, Pastor, with a moment of devotion. Then Doreen Fredricks played some new generation type hymns on her guitar which were sung by all attending. The program was concluded with a film entitled "A New Thing". This film described church renewal in many different churches and denominations around the country.

Watson-Zeyl Engagement

Miss Judy Watson, daughter of Mr. and Mrs. W. F. Watson of 308 Orchid Dr., Placentia, arrived home on Thursday, April 16 to spend a ten day vacation. Accompanying her was her fiancé, Donald John Zeyl, of Boston.

Honoring the prospective bridal couple, Mrs. Howard Hudson, of Buena Park, aunt of the bride-elect entertained with an open house Sunday, April 19. The event afforded an opportunity for friends, former neighbors, and relatives to greet both Judy and Don.

Miss Watson attended Brethren High school in Long Beach but completed her high school education at Valencia High school. She received her B. A. degree in Psychology at Biola College, and Masters, cum laude at Pepperdine.

Don is a 1966 graduate of University of Toronto, Ontario. He received his Doctorate in Classical Psychology at Harvard and is presently completing his thesis at Harvard which he will finish in 1971. Don is the son of Mrs. Wybe Zeyl of Sarnica, Ontario, Canada.

After a 10 day stay in Placentia, the couple will return East. The wedding is planned for July 25 in Tark Church in Boston.

Nancy Sims

Sims Stewardess At United Airlines

Miss Nancy Sims will leave May 25 for Chicago, where she will take her training to become a stewardess on United Airlines. Miss Sims graduated from Valencia High School, class of 1967, and worked as a secretary at Autonetics during the interim.

She is the daughter of Fire Chief and Mrs. James Sims. They make their home on N. Bradford Ave.

Women Will Sample Wine

Hours are from 7:30 to 10:00 p.m. at the Alta Vista Country Club on May 14 when the Placentia Federated Republican Women's Club will stage a party consisting of exotic wines.

Governor Ronald Reagan will be unable to attend but during the social activities a letter will be read from him. All candidates for elective office have been invited to participate, and will be given an opportunity to present their views on county, state and national questions.

Republican Women's Club laid plans for future events at their meeting of April 22, when members, prospective members and friends met at a spacious home of Mrs. Marguerite Suiter. June 2 primary elections is one target set by the women.

Mrs. Maria Cho, now a resident of Buena Park, but a Korean by birth, was the speaker of the meeting which was followed by a luncheon of oriental, savory foods.

Mrs. Cho, a naturalized American citizen, has been in America for 15 years and when asked why she chose America to make her home, she stated "Because it is so beautiful, so free and so very filled with persons of great and vital interests". She is a member of the "Committee by Choice" of Republicans. Accompanying Mrs. Cho to the Suiter residence was her godmother, Mrs. Hildred Ferrell who has been active in Republican affairs over a span of 18 years. Mrs. Ferrell served on the State Central Committee for many years; the California Federation of Republican Women for 16 years; California Southern Division, 14 years, and Orange County Republicans for 17 years. She is currently chairman for Orange County for the candidacy of Evelle Younger for State Attorney General.

Contribution to the wine tasting party is \$2.50 per person.

Hendrix Earns Eagle Badge

An Eagle Court of Honor was convened at the Orchard Drive School to honor Eagle Scout, Michael Hendrix, 5921 S. Ohio, Yorba Linda.

Mike is 15 years of age and attends Troy High School.

He achieved the highest rank in scouting by earning the required 21 merit badges and serving his church, community, and scout units for over four years.

Thru Mike's scouting career he has received many other awards. Among these are the Principals Award from Mable Paine School, B.M.T.C. Award from the Sierra Club, Camel Back Award from BSA — San Diego Council, Silver Bear Paw Award from the BSA Crescent Bay Area Council.

Mrs. Margaret Suiter, left, welcomes Mrs. Marie Cho to a recent meeting of the local Republican Women's Club at her home.

Library Adds To Section

"Let's Read Together," a booklet compiled by a special committee of the National Congress of Parents and Teachers and the Children's Services Division of the American Library Association, has been added to the children's section of the Placentia District Library.

TOPS Have Anniversary

May 5th marks the third anniversary of the Optimistic TOPS Club of Yorba Linda.

The members will celebrate by holding a low-calorie buffet dinner that night.

Crowning of the queen, which is the woman whose weight loss has been the most successful since May of 1969, will take place.

New members will also be welcomed.

Annual Fish Fry Sponsored

"All roads lead to the 43rd annual Fish Fry", so stated Laurel Simpson, president of Rotary Club of Placentia. The annual Fish Fry is scheduled for Friday, May 1, between the hours of 5 and 8:00 p.m. at the Valencia High School Cafeteria.

The Fish Fry is the only time the Rotary Club ask the public to participate in a fund raising drive, to assist them in carrying forward the many civic programs that are a part of Rotary services throughout each year.

This year the entree is New York Sea Bass, with garnishes, potatoes, salads, dessert, tea, coffee and milk. The donation is \$2.50 per adults, and lesser for children.

Rotarians are this week making an intensive move to have all Placentians and their families come and join them in this festivity.

Michael Hendrix

The guide, according to Acting Children's Librarian Mrs. Joy Antos, gives parents, teachers, and librarians guidance in choosing good books for family reading aloud, individual reading, and a child's private library. Titles range from those for the smallest child to those for youngsters in their teens.

"Other titles in the recently created parent's corner of the children's rooms," said Mrs. Antos, "include 'A Parent's Guide to Children's Reading' by Nancy Larrick; 'In Your Hands,' the parent's guide book that accompanies the 12-volume 'My Book House'; 'Summoned by Books' by Frances Clarke Sayers; Annis Duff's (Bequest of Wings) and its sequel 'Longer Flight'; as well as 'Books and the Teen-Age Reader' by Robert Carlsen."

Party Given For Orr's

A "Bon Voyage" party was given on Saturday, April 25, by Mr. & Mrs. Jamal Bayati of 243 Juanita Way, Placentia for Mr. & Mrs. T. Orr. A buffet dinner was served with Middle East food the specialty. Approximately 30 people from the neighborhood attended.

Mr. & Mrs. Orr and daughter left on Wednesday, April 29 for Japan. Orr works for Honeywell Inc. and will be working on-site in Japan for six months. They will be living near Kure and hope to visit Expo 70.

Kraemer Kubs Tour Library

Learning by doing characterized the trip to the Placentia District Library made Wednesday, April 22, by students under the tutelage of Arlene Casaw, teacher of 7th and 8th grades English and History classes of Kraemer Intermediate school.

It is understood that each student was given a special assignment and, to complete this, they were required to use the catalogues, reference guides, and the various machines such as Xerox.

Mrs. Louise Tracer, head librarian, Mrs. Ann Thurston, in charge of adult services and Miss McDonald assisted the students.

EL Rodeo To Hold Horse Show

"Hi-Ho-Silver" is not the sound that will be heard Saturday and Sunday, May 2nd and 3rd, but the hills north of Placentia will echo the sound of horses' hooves, when the annual EL Rodeo "Silver" Horse show and Gymkhana gets under way.

Saturday, May 2 is Gymkhana Day and 20 events are on the schedule. Sunday is Equitation day and has, also, 20 events for the day.

Silver trophies will be given the winners. The

'Variety' To Be Shown

Varieties of 30mm films are at the Placentia District Library, and a showing of one of them will be on May 15, starting at 8:30 p.m. It is done in black and white and is truly entitled "Variety". Showing of films will take place the 3rd Friday of each month at the Library in the evening for adult attendance and on the Saturday following at 4 p.m. for children.

The first showing is a sophisticated one for mature audiences, containing a timely love story set against the German Circus World of the 20s.

The one on the Saturday is about a Bohemian girl and lasts 1 hour and 45 minutes. Hilarity is added by the antics of Laurel and Hardy.

Mrs. Maxine Timme is coordinator of all film activities.

trophies are usable table service, and arrangements have been made for engraving them at the show. EL Rodeo Riding club plans to give the silver pieces alternately at the club's 1970 monthly shows.

Bill Enk will be the presiding judge of the affair. There are 88 members in the EL Rodeo Riding club with 8 holding life memberships. John Wagner, one of the pioneers of the Club is not only a life member, but is also, honorary member of the Board of Directors. The directors including Wagner are; Bill Baker, Murray Barlow, Glen Copeland, Bob Housel, Don Klemper, Larry Klemper, Denny McGroory and Art Waldorf. Officers are, president, Gerb DeVries; secretary, Betty Klemper; vice president, Larry Klemper and treasurer, Gay DeVries.

Gymkhana events for Saturday include Pole Bending for riders 12 and under; riders, 13 to 17 and seniors. The same age bracket prevails in the

Figure "8" Stake Race; Quadrangle Stake Race; Barrel Race and the Keyhole Race.

The Single Pole Race is open for Juniors and Seniors. The Washington Pole Bending and the Two Man Relay Races are of the open status.

Sunday Equitation Day lists "Showmanship in Hand" as open; Registered Quarter Horse, open; Bareback horsemanship, for 13 and under and 14 and over; Western Pleasure, Reg. A HA, open and Walk-Trot, 9 and under.

Former "Grad" Parents Meet

Do you remember-- How about the time-- What is new with your kids? These questions were punctuated with gales of laughter as a group of women met April 21 at luncheon at the home of Mrs. Lem Harris, Kingswood Dr. for luncheon.

The group consisted of mothers of students who were graduated from Valencia High School, class of 1966, and all of the mothers had worked in some capacity on the Grad Night soiree.

Some mothers were

New Officers

For Troop #750

The parents of Boy Scout Troop #750 met Thursday evening, April 23, at Tuffree Intermediate School to elect new officers for the 1970-71 scout year.

Elected to serve as committee chairmen were Ray Hemenn, Troop Committee; Steve Nwranaky, Advancement Committee; Dan Morton, Equipment Committee; Francis Koppola, Finance Committee; E. L. Joyce, Secretary; Andy Anderson, Leadership Committee; Richard McFarland, Membership Committee; Tom Brown, Outdoors Committee; Ed Wheatley, Transportation Committee and Norm Withers.

Guild Holds Flower Show

A benefit premiere to be held at the 1970 Home and Garden Show will be sponsored by the Guilds of Orange County's Children's Hospital.

"Universal Happiness" will be the theme of the garden and flower show which will feature an entrance arch made up of hundreds of roses, 35 to 40 feet high waterfalls and four shimmering fountains. Gardens with large hanging baskets and displays featuring flowers from 21 nations will complete the show which will cover 24,000 square feet and is being produced and designed by Mr. Harry Macres, also known as Mr. Flower Show.

In the Southland Home and Garden Show, rooms furnished by outstanding designers with the latest in interior design, a two-story model home and a 768 square foot vacation cabin will attract hundreds of interested homeowners. The show's main attraction, however, will be the "Carefree All-Gas Color Graphics Kitchen", which was specially designed and built for this show.

The affair, to be held at the Anaheim Convention Center, will serve as a fund-raising effort designed to encourage donations to the hospital. Funds will be used

unable to attend, due to prior commitments and some have since moved, but at the luncheon were Mrs. Marc Andrews, Mrs. William Johnson, Mrs. Doug Douglas, all of Placentia, Mrs. Joseph Pendleton of Yorba Linda, and Mrs. Jean Delmont of Brea, and the gracious hostess, Mrs. Harris.

"Family Financing"

Mrs. Louise Tracer, head librarian of the Placentia District Library, is constantly making an effort to supply the needs for information to the public, and has brought to the local facility many books that are constantly in demand.

Commenting on the available books Mrs. Tracer in an article titled "The Trouble with Money" states:

One of the newest guides is Rex Wilder's "The Macmillan Guide to Family Finance", which covers everything from buying food to buying a house. The author, a financial advisor for many years, also gives advice on how to set up an easily maintained family budget.

Other books about personal finance include "How to Make the Most of Your Money," by Sidney Margolius; "Personal Finance," by Elvin Donaldson; "How to

The Budget Advisory Committee met in the Board Room at the district office of the Placentia Unified School District Friday evening, April 24.

The meeting was called to order at 7:45 pm by Dr. Earle Brewer. Then Mr. Kenneth H. Parker, co-chairman of the Budget Study Subcommittee read the following statement:

"On April 17, 1970, the Budget Advisory Committee established the augmented subcommittee to study the second preliminary budget. At that meeting the committee discussed each of the 24 recommendations of the Budget Advisory Committee that had been

Guides to wise buying, frequently requested, include Merle Dowd's "How to get More for Your Money in Running Your Home"; Ella Gale's "\$\$\$ and Sense: Your Complete Guide to Wise Buying;" Arthur Milton's "How to Get a Dollar's Value for a Dollar Spent;" Mike Ferguson's "Champagne Living on a Beer Budget".

The Library also has books about saving, investing, insurance, home buying, and other aspects of personal finance.

agreed upon April 6 and transmitted to the Superintendent on April 7. It was pointed out that some of these recommendations were followed and some were not as per the school board's direction of April 6, 1970."

He further stated "At this time the subcommittee would like to present two facts to the Budget Advisory Committee."

"1. Recommendation #24 stated--It is recommended that the chairmen of the Budget Advisory Committee attend all sessions with the Board of Education of budget studies. On April 8 Jerry Jertberg and Ken Parker attended a meeting with the superintendent and his cabinet. The minutes of the meeting contain the following: "It is recommended that the Chairmen of the Budget Advisory Committee attend all sessions with the Board of Education of budget studies" (agreed)

He continued "On April 22, the school board met in a special session at which time the Superintendent discussed with them preliminary budget number two and other areas of budget cuts. As co-chairman of the Budget Advisory Committee I was not in attendance at those discussions and, in fact, was not notified that the board was meeting Wednesday evening.

"2. Upon the formation of the augmented subcommittee on April 17, I asked the superintendent if appropriate information, in response to all 24 recommendations, would be made available to the subcommittee in advance of the April 27 regular board meeting. At that time the superintendent stated that he could provide the subcommittee with some form of information for their study on the morning of April 24. This was in anticipation of an April 23 special board meeting. In fact, this special meeting was held on Wednesday April 22, and as of this time the subcommittee has received absolutely no information from the Superintendent as per his agreement."

Parker went on to say: "A committee cannot operate in a vacuum. The Superintendent proposed the establishment of this committee and now chooses not to communicate with it. For these reasons the three members of the Placentia Unified Principals Association, and the four members of the California

School Employees Association will ask their respective Associations to withdraw their appointments to the Budget Advisory Committee until such time as the Superintendent opens the channels of communication and the committee can begin to be a viable functioning unit"

After this statement a motion was made to adjourn the meeting and was seconded. Then Brewer, Committee co-chairman, asked if there was any discussion from the floor on this motion. There was some discussion as to what this would accomplish and Dr. Murrell M. Miller, superintendent, apologized they had not been able to furnish this report to the chairmen and hope to do so.

A roll call vote was then taken on the motion to adjourn and it was passed. The meeting was adjourned at 8:15 pm and it was hoped that the information would be made available and the line of communication reopened in the near future so the Budget Advisory Committee could function again.

Mrs. John Struchen and Mrs. Landon Exley prepare for the Littlest Angel Guild of Yorba Linda entries in the 1970 Home and Garden Show to be held in June at the Anaheim Convention Center. Tickets are now available from guild members.

Valencia Hosts Ecology Week

Valencia began its first ecology week yesterday hoping to inform and turn on students to the problems of pollution.

The idea of the week was given birth to in Jim Lock's contemporary affairs class and was then expanded to involve all students interested in the problem.

Wednesday activities opened up the week with "No Car" day, designed to encourage students to halt air pollution by not using cars, and an ecology rally at lunch featuring slides and a tape of pollution.

Today, students attended another rally which spotlighted Larry Boyd of Planned Parenthood, who spoke on the dangers of the population explosion.

An ecology film festival will be tomorrow's main attraction, and will be made up of short movies on pollution and other related topics.

Saturday, all interested students and members of the community are invited to attend a "clean-up" day. A group will leave the

school early that morning to travel to a nearby beach or park area in need of beautification. For further information please contact Karen Burke or Chris Roberts at Valencia.

The collection of paper, glass and aluminum objects for disposal and improving the look of the campus will take up Monday's time for Valencians.

Collecting the objects will not only protest their longevity (an aluminum object takes approximately 50 years to decompose) but will also bring in a small amount of money to be used in a way which will benefit Valencia.

There are no activities slated for Tuesday as it is Cinco de Mayo, a type of Mexican Fourth of July, which will herald the beginning of "Chicano Week."

To conclude and sum up the week's activities, Wednesday will feature an ecology fair.

Booths containing pamphlets and other forms of information will be

operating across campus, films will be shown and guest speakers will appear in an open-air rally.

Other possibilities include a large "earth" flag, balloons and bumper stickers and the selling of organic foods.

Heading the group's efforts have been Chris Roberts and Karen Burke.

Committee members include:

Publicity - Debbie and Karen Snow, chairmen; Karen Kidd, Sunny Rankin, Kandi Roberts and Cindy Franklin.

Communication - Kathie Lesikar and Margaret Hori, chairmen; Helen Wright, Beth Scheiderich, Betsy Norton and Susan McNamara.

Carnival - Barb Haynie and Johanna Hardi, chairmen; Denise Mercier, Beth Kallas and Gloria Delgado.

Information - Mindy Halpern and Hilry Sylvester, chairmen; and Holliday and Diana McDonald.

Mrs. Ray Receives Golden Orange Award

Mrs. Ronald Ray (Marian to all her friends) received the Fourth District PTA Golden Orange Award last Thursday. This year is the first time the PTA has made the award for outstanding community service, and Mrs. Ray received it for the Placentia Unified School District community area, which encompasses portions of Anaheim, Fullerton, Yorba Linda, and Brea, as well as Placentia.

Introduced by Mrs. Charles Dunham, Placentia PTA Council President, Mrs. Ray upon receipt of her award commented: "It is a complete surprise to me!"

"If you want a job done well ask a busy person" seems to be the rationale behind the many hours of devoted service contributed by the recipient. In addition to serving as the Placentia PTA Council Teacher Aide Chairman, Mrs. Ray donates time to the Conservatory of Music which is a joint undertaking by the school district and Placentia Parks and Recreation Department.

With children at McFadden Elementary School, Kraemer Intermediate, and Valencia High School, Marian finds time to help with the many school and PTA projects. Currently she is chairman for McFadden's annual Cinco de Mayo, which is to be held April 30th at the school. In the neighborhood if a child needs help with the three "R's," parents will often call on Marian, who tutors. At El Camino Real High, principal Jack Meadows sometimes calls on her to assist with paper work.

NEWS-TIMES 9 Brookhaven Kids Are Registered

A meeting to pre-register kindergarten children for the up-coming school year on Friday, April 24, in the Brookhaven Elementary School multi-purpose room.

Clayton Credell, school principal, welcomed all the parents and spoke to them about the school. He then introduced Mrs. Holderman who discussed district and state policies on health service.

Then the new children were registered with mother helping to check the birth certificates, polio and measles records. A booklet was given to each parent registering their child on the policies of the district.

Bonds Sold

Placentia Unified School District bonds in the amount of \$1,670,000.00 will be offered for sale on or before June 1, 1970 by the Board of Supervisors of Orange County, Calif. at an interest rate of no more than 7% per annum.

McFadden Hosts Cinco De Mayo Celebration

The McFadden-Rio Vista PTA will have a full course Mexican dinner and fiesta on Thursday, April 30, 5:30 p.m. at McFadden Elementary School Cafeteria in celebration of "Cinco de Mayo".

The "Cinco de Mayo" fiesta began in 1947 at McFadden Elementary School when it was still called La Jolla School. At that time the mostly all Mexican-American area brought in professional dancers to provide the entertainment. The fiesta celebrates the victory of Mexican forces over the French army near Puebla in 1862 which was the first step towards independence for Mexico.

The dinner will be a Mexican combination type plate including enchiladas, tacos, rice, beans and many other delicious foods. The

dinner will be served at two different times. The first dinner will be at 5:30 p.m. and the second dinner will be at 6:30 p.m. They expect to serve approximately 400 meals and will be helped by nearly 85 parents and teachers. The cost for the dinner is only \$1.50 for adults and 75 cents for children. The entertainment will be given throughout the evening starting at 5:30 p.m. All parents, children and friends are invited to attend and sample an authentic Mexican dinner and join in the Fiesta.

The project chairman for this year's event is Mrs. Marion Ray, PTA second vice-president. Mrs. Ray recently received the award for "the outstanding individual from Placentia" at the Fourth District PTA luncheon.

McFadden students Maria Vega, Anthony Silva, Robert Romes, and Lupita Santillan show off some of the costumes children will be wearing during the Cinco de Mayo celebration at the school this week.

PUSD Projects Set

The Board of Education of the Placentia Unified School District approved construction of the following projects; Bernardo Yorba Intermediate School, Phase II; Glenknoll Elementary School, Phase II; El Dorado High School, Phase V; and El Camino Real High School, Phase I.

It was recommended that further study be made for the planning, development and construction of Esperanza High School. They also decided to look into a possible relocation of an elementary school site from Topaz and Sapphire to a site south of Morse Elementary School.

Kraemer Art Show Scheduled For May 3rd

The formal dedication of the new Backs Community Center in Kraemer Park will be held at 2 p.m., May 3. The Placentia Youth Orchestra and the After-School Conservatory Brass Ensemble are slated to play for this ceremony.

There will also be approximately 500 pieces of student art work exhibited from the Placentia Unified School District which will be displayed for the public from 10 a.m. to 5 p.m. from Monday through Saturday, and evenings when open. There will be a V.I.P. reception following the dedication ceremonies.

"The Awakening" is scheduled for May 5 through May 28 at the center. The art and music festival is sponsored by the Placentia

Unified School District under the direction of Music Coordinator William Foster and Art Specialist Mrs. Margaret Bentz. All of the district's fifteen schools with approximately 750 music students participating will perform each evening of the week during this event.

On May 6, at 7-9:30 p.m. McFadden, Rio Vista and Brookhaven schools will be performing. Ruby and Van Buren schools will perform on May 7th and Glenknoll and Golden schools will perform on May 11th. On May 13th Sierra Vista and Wagner Schools will play and on May 17th Valencia High School will play at 2:00 p.m. with El Dorado High School performing at 4:00 p.m.

On May 18th Morse school will play at 7:00 p.m. with Orchard Drive School on May 19. On May 20th Kraemer Intermediate school will perform with Tuffree Intermediate school playing on May 21.

Each school will be given a day to visit the center and view all the exhibits which will be taken down on May 28 and 29th.

All friends, parents, students, children and teachers are invited to attend, according to district officials.

Dick Nixon Sent Wire

Students at Yorba Linda Junior High School have sent a telegram to President Richard Nixon expressing their thoughts on pollution and expressing the hope that he will care about what they think about the pollution problem.

The telegram, signed by 601 students and teachers, says, "Mr. President, We strongly hope that in the future, improving man's environment will be fixed in your mind as your main objective."

New officers in the Wagner School PTA are, rear, Mrs. Harold Nelson and Joe Kennedy, front, from left, Mrs. M. W. Snell and Mrs. John Harker.

PTA Elects New Officers

The Wagner P.T.A. has elected Mrs. John Harker as their new president for the coming 1970-71 year. Mrs. Harker served as corresponding secretary last year.

The following members have been elected to serve with Mrs. Harker: Joe Kennedy, vice president; Mrs. Larry Launder, corresponding secretary; Mrs. Harold Nelson, recording secretary; Mrs. M.W. Snell, treasurer; Mrs. Edgar Green, Historian; Mr. Dennis Hakeman, Auditor.

School Board Passes Policy

A policy on transportation was adopted by the Yorba Linda School Board at its last meeting.

Under the policy, the district will provide bus service for kindergarten through third grade students who live in excess of 3/4 mile from school and fourth through eighth graders living over 1 mile from school.

The policy provides for the use of school busses for Educational trips.

Golden Holds Open House

Golden School, in conjunction with the school PTA, will hold an ice cream social and open house tonight from 6:30 to 8:30 p.m. at the school. This event is part of the school's annual open house program.

All classrooms will be open to show the childrens' work in art, science, mathematics and other skills. The theme for this years open house is "Childrens' World".

The entertainment will start at 6:45 with the fourth, fifth, and sixth grade

students participating. The combined Goldenband and orchestra will be performing till 7:15 p.m.

The final performance of the evening will be the sixth graders showing Mexican dances in the costumes of Mexico. All of the entertainment will take place on the patio area.

All during the evening the guests will be able to purchase ice cream, home-made cakes, coffee and punch in the multi-purpose room.

ED Drill Team To Perform In Gym

"What did you do in the War, Gran'pappy?"

Next Friday night May 8, El Dorado's Drill Team presents its Second Annual Drill Team Show about a little boy and his grandfather in the EDHS gym at 8 p.m.

Flags, swords, rifles and borrowed ROTC uniforms are only part of the props used in this salute to the military, tracing the history and development of the American Armed Services through dances, routines, and skits.

Beginning with pirates and "A Capital Ship and A Capital Crew" the show follows with "Yankee Doodle" for the Revolutionary War and "Along with Colonel Jackson" for the War of 1812. Next are two songs, "Cherokee Nation" and "Hey, Mr. Custer" representing Indians and cavalry.

After a short intermission will be a reenactment of the Civil War to "Dixie" and "When Johnny Comes Marching Home Again."

Then will be the Army's "Caissons Go Rolling Along," the Navy's "Sailing, Sailing," the Air Force's "Wild Blue Yonder," and the Marines' "From the Halls of Montezuma."

Finally, the drill team will conclude with repeating the half-time show that won it state championship last month at the California Festival at Arroyo in Los Angeles. There will be two routines, "Parade of the Wooden Soldiers," and "American Patrol."

Under the direction of Mrs. Sally Eyre, advisor, there will be a total of 14 acts. Most of the drill team members will be in five or six routines.

Money from the show will go towards competition and parade expenses for the year and possibly uniforms for next year's drill team members.

Tickets for "Salute to the Military or What Did You Do in the War, Gran'pappy?" will be sold at the door by drill team members. Prices are \$1 for adults and \$.50 for children under 12.

Kindergarten Registration

It has been announced by Clay Lee, principal of the Glenknoll Drive Elementary School, that the Orientation and Registration meeting for kindergarten students who will enter school in the fall, will be held on Friday morning, May 1, and on Thursday evening, May 7, in the multipurpose room at the school. The morning meeting will begin at 9:30 a.m.; the evening meeting at 7:30 p.m.

Children who will be five years old on or before December 2, 1970, will be eligible to enter kindergarten in the fall.

Parents are urged to attend either of the two meetings. It is not necessary to bring children although child care will be provided during the morning meeting by the P.T.A.

Dr. Ruth Comments On Budget Committee's Action

Dr. Ralph Ruth, commented at Monday night's Board of Education meeting on the action taken by the Budget Advisory Committee at its last meeting by saying that if the Superintendent had agreed to furnish the material necessary for the meeting such material should have been supplied so that the Committee could have used the preliminary budget #2 and compare against the previous information they had. If the Superintendent could not furnish the material it should have been stated prior to the meeting. Dr. Ruth felt that nothing had come out of the Board Meeting last week to warrant any report to the Committee.

He then stated three "Oklahoma" Comes to ED

This Friday and Saturday night, May 1, 2, El Dorado High School's drama department and Thespian troupe will present Rodgers and Hammerstein's Musical "Oklahoma" for its spring production at 8 p.m. in the EDHS gym.

Starring in the production are Nancy Backus, Dave Sherry, Jan Morrow, Grant Vesswy, Dave Finklestein, D. Anne McManis, and Randy Davis.

Other students involved include student directors Kathy Woods and Carol Whitelaw and accompanist Nancy Terry.

The musical, two months in preparation, incorporates 125 students, 91 of them as actors, dancers, and musicians under the direction of Mrs. Gail Laing (drama). Ron Browne (choral music), Miss Sue Grant (dance), and Don Zink (instrumental music).

Tickets for the musical can be purchased at the door, \$1.75 for adults, \$1.50 for students, and \$1 for children under 12.

PUEA Withdraws Budget Committee

The Placentia Unified Education Association has decided to withdraw all of its representatives serving the three special district committees, the Budget Study Committee, the Educational Facilities Committee and the Curriculum Advisory Committee, according to PUEA President John Tynes.

The vote came after an incident in which one member of the teachers' negotiating council was "abused and ridiculed by a board member."

Tynes said "The teachers entered these committees in good faith. Our people worked many hours through Easter vacation and other times. We don't want abuse and ridicule as was done tonight."

He said that all communications between the board and the PUEA will now go through the Negotiating Council, "where they should have been anyway."

points as follows:

1. Requested information should have been furnished.
2. Budget Committee Co-Chairman should have acted as intermediary in getting information.
3. Committee should have persisted and required this information.

He said that "lack of information is not an excuse for lack of action".

Dr. Ruth felt that it was ill-advised, obstinate and nearly irresponsible of the committee to adjourn their last meeting and take no action. He said that they were supposed to review

item by item the 24 suggestions of the committee against the Preliminary Budget #2 as per the minutes of the last meeting.

The Board is going to press for a solution of these problems until they are all solved and he hopes that the

Budget Advisory Committee will be meeting again with those who wish to work on these problems. He sincerely hopes that this committee will plan to meet this week and get some meaningful suggestions placed before the Board soon.

Earth Day Celebrated

A group composed of approximately 90 Valencia students celebrated Earth Day, April 22, with a walk to Cal State.

Led by Jim Lock and Greg Schook of the VHS social science department, the students departed on foot from the south end of the campus at 9 am. As they progressed down Chapman avenue to the Fullerton campus, the group picked up trash and waved homemade signs at passer-bys.

Cal State was host for an "environmental teach-in," designed to instill in everyone an environmental awareness that man must stop the pollution of the earth."

The day's activities were begun with color slides and recorded tapes of pollution in America. These were followed by a panel discussion which featured Dr. Donald Bright, marine biologist; Dr. Bayard Brattstrom, zoologist; Dr. Robert Lepper, geologist, and Mr. Lee Waian, the caretaker of Tucker wildlife sanctuary, which received the proceeds from the day's events.

A time capsule containing plastic bags, saran-wrap, a driver's license, a draft card and similar items were buried at the southern end of the library at 12, while organic foodstuff was being

sold in the quad, a "people's park" was being planted and a "chalk-in" was going on.

The day's activities were concluded with lectures by Dr. Asleben, MD, who spoke on atmospheric poisoning; Congressman George Brown, a leading anti-pollution legislator; and Jerry Keating of the Sierra club.

All of the lecturers agreed that if man is to continue to exist as a species then he must realize and accept the fact that they are responsible for their environment and take steps to rectify what damage has already been done.

To accomplish this task every individual must practice "ecology". People must realize that you can no longer have children indiscriminately; in 10 years 5 million people will die of starvation each day. People must learn to re-use and re-cycle things; a returnable bottle can be used 16 times, an aluminum beer can takes nearly 50 years to decompose.

It is too easy to say "I don't have to, I'm just one person." What about all of the other people who think like that?

Man must come of age and shoulder the burdens he has too long forsaken or he, not the "bomb", will destroy himself.

Ken Parker, head of the El Dorado Ecology Club, picks up trash on the Earth Day march to Cal State Fullerton by EDHS students.

Morgan Receives Award

Mrs. William Morgan was presented with an Honorary Service Award by Wagner PTA. Mrs. Morgan has served PTA in many ways and is just completing this year as President of El Dorado High School PTA.

Mrs. Morgan served as president of Wagner PTA in 1968-69.

The mother of two boys, Mrs. Morgan has been active in such groups as Boy Scouts and the Booster Club. In community affairs, Mrs. Morgan is active in the Placentia Round Table and the Welcome Strangers Club.

Board Makes New Proposals

A proposal for the use of school facilities was discussed at the last meeting of the Yorba Linda School Board.

The proposal makes clear the cost and availability of school facilities to outside groups. It allows for the free use of school facilities to certain non-profit groups, and sets a fee schedule for other groups. The proposal sets time limits and standards of conduct for school facility use.

In other action the Board of Trustees accepted two gifts to the district, approved the annual school district audit and approved the selling of temporary classroom facilities to another school district.

Ben Edmondson Named Chairman

A newcomer to the California State College, Fullerton faculty becomes chairman of the quantitative methods department Sept. 1.

The appointment of Dr. Ben C. Edmondson was announced by Dr. Bernard L. Hyink, vice president for academic affairs, who said it is for the 1970-71 school year.

Edmondson will succeed Dr. Herbert C. Rutemiller, who asked to be relieved of the chairmanship in order to devote more time to teaching and research.

Edmondson came to CSCF at the start of the current semester from Case Western Reserve University where he earned his Ph.D. and was an assistant professor. He is a graduate of Purdue University.

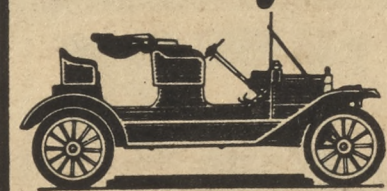

A Placentia resident, Edmondson specializes in statistics.

Hawks Outrun Roadrunners

Upping their league record to 3-2-1, El Dorado's track team beat Saddleback 78-49.

Taking nine first places, the Hawks saved their best men for Friday's Mt. SAC relays where ED was entered in the sprint medley, four man mile high jump, and shot put.

Sam Rossi won the shot with a throw of 53-8½ and Mike Gorbett won the high jump with a school record jump of 6-4. Also the mile relay team came in third with a school record time of 3:27.

Leading EDHS against the Roadrunners was Rodger Campbell, with two first places in the hurdles.

Mike Ball jumped 20 feet 4½ inches in the long jump to upset Trahan of Saddleback. Also Jim Unopulos won his first two mile race with a 11:17.4.

El Dorado's Cees lost 60-44 and the Cees won 55-34.

Dean Brewer won the discus with a throw of 114 feet 10 inches. Greg Kempton ran a 10.2 100 and a 23.8 220 to win, and anchored the 880 relay team to a victory. Claude Bailey won the 120 high hurdles in 17.3 to nip Garcia of Saddleback who was recorded at the same time. Dorian DeJesus had a personal best in the long jump with a jump of 19 10½.

In Cees, Chris Jones ran the 1320 for his first time and won with 3:40.3. He also

won the 180 yard dash in 19.3 and the long jump with a jump of 17 feet 3 inches. Craig Moon won in the 660 for his first time with a 1:38.8. The Cee 440 relay ran a 48.8 to win.

Even though the runners did well, it was the field events that helped the Hawks the most. ED outscored Saddleback 32-12 in the field as the Cee cindermen swept the shot put and high jump.

Roy Putnam took first in the Pole Vault and high jump. Russ Elliott took second in the high jump and shot put, and Mike Moore took third in the shot put and high jump.

VHS Takes 1st In Drags

Sunday afternoon Valencia High School sent a team of 10 representatives to race their cars at the 2nd annual Orange County High School drag meet at Orange County International Raceway.

Under the direction of Gary Fowler, the group took the first place sweepstakes, walking away with many major awards for both VHS and the individual drivers.

The team won a total of 14 races, just edging Western High School which had 13 wins.

Top driver for the Tigers was Jeff Sullivan, who won 5 races driving a 1968 Ford pickup with a camper on it. Sullivan placed third in the whole event and received a set of chrome Jardine Headers.

Awarded to the school was a one-thousand dollar scholarship, plus six weeks of "Ford" training and a job with Ford dealership.

Other drivers for the Valencia team included Tony Lopez, captain, who drove a 1967 Mustang and won two races; Ralph Rangel, who won two races in a 1967 Camaro; Joe Rangel, who drove a 1967 Volkswagon; Larry DeLos Reyes; Leonard Allen; Jim Carter, Mark Angiel and Alfred Salazar. Ken Hiramistu raced a 1969 Camaro and was eliminated by Jeff Whittiker, who was last year's top eliminator.

Awards given to individual drivers included a case of oil, polish, jackets, a steering wheel and magazine subscriptions.

VHS Trackmen Overcome Brea On Home Turf

Last Wednesday afternoon the Valencia Varsity track team under Coach Mike Cummins recorded their fourth Orange League victory by defeating the Brea Olinda Wildcats 74-53 on the Tiger Track.

The meet was moved from it's original site in Brea by agreement of both coaches and schools.

The Tigers swept 3 events, pole vault, discus and high

jump. The team also finished first and second in the mile run, 440 yd. dash and the 2 mile run.

Ron Mooers won the pole vault with a height of 13 feet, followed by teammates Jim Collins and Dave Rogers.

Sophomore Alex Covarrubias broke his own record in the discus which he set last week against Katella with a mark of 147'7 by throwing it over six feet

farther 153'5". John Ast also broke the record which Covarrubias surpassed by throwing 149'8" but had to settle for second place behind the leagues best discus thrower. Jerry Bell of the host school took third.

Ast heaved the shot put 49'6" to take first in that event. He has a season best of 53'1½".

Sergio Echevarria led a 1-2-3 finish in the high jump by clearing 5'8. Steve Carr took second and Steve Yancey, third.

Freshman Paul Adams recorded a first in the 440 with a time of 54.0 Mooers finished in second place.

Steve McCloon won the mile with a time of 4:47.3 running in front of Ron Rambo.

Manuel Raya took first in the two mile run recording a very good time of 10:27.

Steve Reyes, Mark Von Iderstein, Paul Adams and Ron Mooers out ran Brea in the mile relay.

The varsity track team travels to Sonora for a 3:15 meet. The Bees lost a narrow meet to Brea by one point 53-52. The team swept both the discus and the shot put. Steve Brown, David Ockunzzi and John Price were 1-2-3 in the discus.

Larry Del Los Reyes won the shot put.

The Cees won easily to stay in a first place tie with Los Al and Los Amigos for the third straight week.

Clark Johnson, Andy Castro, Charly Pernice and Mike Stabile helped their team win by taking first in their events.

This past Saturday a few members of the team participated in the Mt. San Antonio Relays in Walnut.

In the small school division Covarrubias placed third in the discus with a fine effort of 142-1.

Giants Remain No. 1

The giants continue to reign in the Major league at the close of the second week of Yorba Linda Little League competition.

The main force behind the Giants seems to be coming from Ron Moore and Tod Talbert. In the Cardinal game Moore was the winning pitcher and also connected with a home run leaving the score 10-2'. Talbert turned on against the Pirates when he singled in the ninth inning, a single which later proved to be the winning run. The final score being 3-1. Moore and Talbert teamed up against the Cubs hitting back-to-back home runs crushing the Cubs 7-1.

The cardinals sole win this week came when they faced the Mets. Mark Barth pitched his third consecutive win claiming a 6-4 score.

The Dodgers may be on a rising comeback defeating the Cubs 10-5 and downing the Pirates 4-2. In the Pirate game Ken Trombly pitched a four hitter and was aided by a home run by Steve Murphy.

The Braves fell to third position in the Major league this week after losing to the Phillies 4-2. Phillie power came from winning pitcher John Shields.

The Cubs and Pirates remain in the Major league basement with three losses apiece.

The Red Sox are

Frosh-Soph Fall To Lobos

The Valencia Frosh-Soph Baseball team coached by Gary Jones has recorded a 5-4 record in Orange League play.

"The team is doing a good job and are trying to hold together for the second round, "were the words from Coach Jones.

Hold together is just what the team did as they defeated El Dorado 10-5. They built up a 10-0 lead.

Richard Hernandez allowed just 1 hit pitching four innings and Dick Steigner finished up being a little wild.

Barry Loomis was three for three from the plate.

The Tigers defeated Los Alamitos last Friday 7-5. Richard Hernandez was the winning pitcher.

Tuesday the squad faced

maintaining a slim lead over the Angels in the American League.

The Red Sox exploded in the fourth inning against the Athletic to come from behind and win the game 5-2. Against the Angels the Red Sox played an exciting game which was not decided until the last inning, the Red Sox claiming a 1-0 victory.

The Astros continued to lead the National league with three wins and no losses. The Astros claimed seventeen runs against the Stars four. Earlier in the week the Astros downed the Jets 10-8.

VHS Tennis Team Faces Katella Looking For Sixth Victory

The Valencia Tennis team under Coach Don Brittingham will be looking for win number 6 against Katella tomorrow afternoon on the Knight's Courts.

We played real well scoring 5½ points more than we did last time, were words from the Tennis Coach Don Brittingham after suffering a loss to cross-town rival El Dorado 9-19.

Number 1 man Richard Spitler and Dean Okimoto scored 4 points apiece against the host school. The Doubles team of Edge and Turnbull also scored.

Against Los Alamitos the team lost 9-19 with all singles players scoring points. Spitler had 3, Okimoto 3½, Cory Aguirre 1½ and Alan Winney 1. The Doubles were both shut out.

In the last 4 matches the score has either been 9-19 or 19-9.

The Tiger racketeers traveled to Los Amigos Tuesday for a 3:15 match. Results were not available at press time.

The other doubles team includes Foisy and Gavel.

Last week the Junior Varsity lost to El Dorado and Los Alamitos.

The team record in Orange League Competition is 5-5. Victories have come over Brea, Saddleback, Los Amigos, Los Alamitos and Sonora.

We've improved our scores in the second round as compared to the first round according to coach Kenneth Robinson.

Los Alamitos Downs VHS

Tomorrow afternoon Valencia's Varsity baseball team hopes for victory number 4 in Orange League play against second place Katella on the Tiger Diamond.

On the mound will either be Terry Walling or Dane Hlertson.

Last Friday the Tigers were defeated by league leaders Los Alamitos.

The Griffins scored early but were caught by the Tigers in the third frame 2-2.

In the second inning Mark Allen singled and then the Griffs committed errors scoring him in the second inning. In the third Ace Ellioff got on base with a single and Frank Rangel doubled to score him. That ended all the Valencia scoring. Rangel was struck for the loss, his second against no wins.

Tuesday afternoon the squad faced Los Amigos and results of that game were not available at press time.

Mike Bays continues to lead all Tiger hitters with a .400 average. Mark Allen is clubbing the ball over .300 and Ellioff is slapping pitchers for a .300 average.

In the starting lineup for the team are Ellioff 2b; Drake Sheets 1b; Bays ss; Allen cf; Tony Vitale lf; Jerry Marmelejo; rf; and Don Shaffer catching.

The team travels to Katella tomorrow for a 3:15 match.

Members of the squad include Mike Foisy, John Roth, Andy Kusenda, Mike McKay, Wayne Getty, Phil Hammers, Mike Bourke and Doug Clark.

Valencia GAA Holds Conference

A conference encompassing every GAA in Orange County, was held by the Valencia High School Girl's Athletic Association last Thursday, April 23. The theme for the Conference was "We're Moving Up!"

The Conference began at 3 p.m. and went on until 8 p.m.

The events were headed by the General Assembly, during which Miss Billie Jean Moore, an instructor from Cal-State Fullerton, spoke on Girl's Athletics today. Then followed a series of Demonstrations which included: Golf, with guest speaker, Mrs. Ruth Miller; Gymnastics with Miss Joan Pasquales; Basketball, with Miss Loni Lindahl; Fencing, with Mr. Bleamaster; Yoga, with Miss Marley Stevens; Skiing, a film showing by Sunland Skiers; and Water Polo, with Hank Vellekamp.

A banquet summed up the festivities. Entertainment was provided by the Valencia High School Vocal Ensemble, directed by Bill Frenzel.

The Girl's P.E. Staff at Valencia High School, which includes Mrs. Diane Warner, staff director; Miss Cathy Clark; Miss Wanda Flora; Miss Jane Rogers; and Miss Joan Stewart; are to be accredited for "the fine success."

ED JV Baseball Beats Los Amigos

Behind the consistent hitting of Greg Pritchett, El Dorado won their second league game with a 9-5 victory over Los Amigos.

Pritchett was 4-4 and helped the JV's score their biggest victory this year. Coach Don Smith was extremely happy with his team's performance. They had scored only two runs in the last two games.

Junior Brad Hoyt started as pitcher and got the win but needed help from Jim Ratti who has come back down from Varsity so he can play more baseball.

At the beginning of the second round of league, Coach Ed Walsh put Pritchett on the Junior Varsity so he could gain some confidence. So far Pritchett has ripped apart all the JV pitchers with a .750 batting average. He plays third base for the Hawks and this moves former third basemen John Botich to first, a more suitable position for him.

Gaining two victories over Los Amigos, El Dorado has a league record of 2-8 and is in seventh place in the Orange League. Tuesday the Hawks met Katella and tomorrow they visit Brea.

ED Tennis Team Defeats Valencia

Smashing Valencia for the second time this season, El Dorado's tennis team is in third place.

Playing second place Katella on Tuesday, the Hawks had a chance to tighten up the league race for first. However results for the match weren't available. Last Friday El Dorado played host to Los Amigos and defeated the Lobos soundly.

Even though the Hawks will have homecourt advantage against the two leading teams, chances for a repeat league championship are very slim since Los

Alamitos has lost only one match.

El Dorado's league record is 7-3, while Katella's is 8-2.

Number one singles man, Geoff Pyne has lost only three matches in league. According to Coach Bill Clark, Pyne is the most consistent player on the team. Clark also stated "Second man Rick Doebler has improved greatly to get where he is." Last year Doebler was last man Varsity. "Our basic problem this year is our doubles teams and last singles are not getting enough points," Clark stated. "We can't win every

game with just a few doing all the work."

However Clark did say the doubles team of Bob Johnson and Dewain Campbell have been the most consistent team so far.

Another problem has been the loss of former second man Bob Backes, who has a hurt knee.

Varsity singles consist of 1, Payne, 2, Bob Fraser, 3, Greg Kowalski, 4, Scott Thorpe. The other doubles team consists of Mark Bergman and Doetler.

On the Junior Varsity level, the Hawks are 6-4 and in fourth place in league.

Sonora is in first, Los Alamitos in second and Katella in third.

Outstanding JV's are Steve Warren who has been working hard and done extremely well. Junior Dough Hart is also excelling on the JV's.

Other JV's are Rodger Hall, Richard Baxter, Rick Wallstrom, Ken Mosely, Mark Ray, and Stewart Post.

Both teams will travel to Brea tomorrow for an anticipated easy match. Last time the two teams met, the Hawk netmen whipped the Wildcats 27-1.

Golfers To Face Knights

This coming Tuesday the Valencia Varsity golf team will tee off against the Katella Knights at Alta Vista Golf Course.

The squad will be looking for its ninth league victory against 2 losses and one tie.

Last Tuesday the golf team traveled to Mile Square Golf Course to play Los Amigos and recorded its eighth victory in League 418-463.

Low man was Bruce Bilton with a 79. Greg Bilton shot a 83 and Jim Bradley a 83.

Tuesday afternoon a match against Saddleback was scheduled. Results were not available at press time.

There are only two more games remaining for the year and Coach Hal Polley and squad is hoping that the C.I.F. will let them go as a

team into the CIF meet even though they are ½ game out of first place.

Other members on the team include Mike Orth, Bob Kalmbach and Larry Taylor.

The Junior Varsity defeated both Los Amigos and Estancia last week.

Dale Rutherford, Daryl Eve, Larry Taylor, Drew Mehner, Paul Warranch, and Kim Marshall are members of the J.V. squad.

No-Hitter Pitched By Mike De Jong

Highlight of last Saturday's play in the Placentia Little League was a perfect no-hitter pitched by Mike De Jong of the Padres in defeating the Cards 25-0. In the regulation 6 innings, Mike faced only the minimum 18 batters striking out 10 and throwing out 4. No runner reached first base. The Padres remain tied for first place in their league.

VHS Frosh - Soph Play

Getting only three hits in the game, El Dorado's Frosh-Soph baseball team lost another game, 12-3, against Los Amigos.

Now in last place in league with a 0-10 record, Coach Dave Riely was hoping his team could avenge an earlier 1-0 loss to Los Amigos. However the Lobos ripped the Hawk pitchers for 12 runs, and held the Hawk hitters to 3.

Left fielder Danny Cash got two of the three Hawk hits and freshman Tom Corbin got the other.

Other starters for the Hawks are first, Clay Verland; third, Jim Dutzi; shortstop, Greg Hayes, catcher, Terry Walker; right, Jim McCollum; center, Kelly Burke and pitchers Jeff Ayer and Mike Spray.

Tomorrow the Hawks host Brea. Last time the Wildcats beat the Hawks 7-2.

Pilot Program

The Placentia Unified School District is going to participate in a pilot program of multicultural studies with the International Education, USC, and the African Studies Center, UCLA.

The district will select two teachers who will attend training programs and enroll in course work in the theory of developing resource units, data banks and others and will then

travel to Africa in July with an opportunity to become familiar with African economics, history, social life and politics. They will gather information and then work together to develop materials to implement educational programs in the school district.

In future years it is hoped to take part in similar programs in Latin America and Asia during the 1971-72 and 1972-73 school years.

ED Baseball "Hot" Team

Taking a three game winning streak to Katella, El Dorado's Varsity baseball players comprise the hottest team in the Orange League.

Since the start of the second round the Hawks are 3-0 and the only team undefeated in the round. Last Friday league leaders, Katella, lost to Sonora, 4-2.

Behind a one hit shutout by Phil Hundershot, El Dorado clobbered Sonora 7-0. Then they squeaked by Valencia 5-4, in eight innings, with the help of Bob DeWeese's hitting and pitching. Last Friday the Hawks defeated Los Amigos 6-3 and the results for the Katella game weren't available. Tomorrow the Hawks host Brea at 3:15.

Coach Ed Walsh is happy with his club's hitting. In the first round of league, the Golden Hawks averaged only two runs a game. In the

last three games the batmen have averaged six runs a game.

As usual ED's pitchers have been consistent. The best thing about them is that only one is a senior. Juniors Phil Hundershot, Bob DeWeese, and Rod Uallh should all be back next year. Also returning will be second baseman Kent Carlson, third baseman, Mike Healy, left fielder Vince Tarrent, and right fielder Jeff Mathiesen. Sophomores Gregg Pritchett and Jim Ratti should be the best Junior Varsity prospects for next year's Varsity.

Four year Varsity lettermen Bill Ogg and Larry Mathiesen, three year letterman Dennis Falksen, and first year man Jerry DeWitt are the four starters who are graduating this year.

Pony Colt Holds Opening

Mayors Bob Finnell of Placentia and George Machado of Yorba Linda each threw out the first ball to begin the opening games of the Pony League for the 1970 season during ceremonies Saturday. Clear blue skies lended a bright note to the festivities which saw 130 boys age 13 and 14 march onto the north field of the El Dorado High School diamond. As Bob Robbins, master of ceremonies, called out the team, the members came from the side to center field, each team with the appropriate penant of their big league team.

Roger Wilkins, president of the Placentia-Yorba Linda Pony-Colt League, called out the names of the managers and coaches of each of the ten pony teams. They are: Angels-Lee Wilcox, Cardinals-John Botich, Cubs-John Stanley, Dogers-Dick Morgan, Giants-Bob DeWeese, Indians-Phil Offenhauser, Mets-Jim Knox, Red Sox-Al Heckathorn, Twins-Ray Ritchie, and Yankees-Don Bergh.

Members of the executive board of the league were introduced. They are: Bob DeWeese, vice president; Walt Fredrickson, secretary; Herb Wilder, treasurer; Bob Robbins, player-agent; Ivan Seablom, equipment manager; Al Heckathorn, managers representative; Nate Fine, ways and means; Marian Robbins,

president of the Woman's Auxiliary; and Kay Starr, publicity.

Lending support to the morning ceremonies were Ron LaBerge, president of the Yorba Linda Little League, Bucky Green and Steve Ward, Colt team managers, and the afore mentioned mayors, Finnell of Placentia and Machado of Yorba Linda, both giving their support to the league on behalf of their councils and themselves.

Marian Robbins, president of the Woman's Auxiliary, introduced the members of the board, many who were busy handling the various activities being undertaken by the organization. Pat DeWeese, vice-president, was attending the portable snack bar; Sybil Ward, team mother representative, was selling dance tickets and collecting blue chip stamp books; Peggy Treadway, purchasing agent was helping at the snack bar. Lena Coons, treasurer, and Kay Starr, publicity, were announced, and Alma Fine, who having been taken ill relinquished her job as vice president to Pat DeWeese.
